**Certificate of Corrections Branch**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In reviewing the above-identified patent, a number of typographical USPTO printing errors were discovered therein requiring correction in order to conform to the Official Record in the application. None of the below corrections should be considered substantive in nature, but instead merely correct obvious errors therein.

The errors noted are set forth on the attached copy of Form PTO-1050 (Rev. 3-82) in the manner required by the Commissioner's Notice.

Since the corrections included on the attached were the result of errors on the part of the USPTO, no fees associated with the Certificate of Correction are believed to be due at this time.

Respectfully submitted,
